SUMMARY OF INTELLIGENCE. (From the "London and China Herald.") Besides the disestablishment of the Irish disear Sessions of an attempt to defraud the

part of England to mediate between France and Prinsin, and as indicative of a lenning towards The Provisional Government of Spain coninuo to evince much strength and circumspection, and the question arises whether they are not going a little too far by the commission of acts which should be left to the permanent Govornment hereafter to be cleated. The framobise and elections are arranged, a fusion of parties has decided on a monarchical form of

government a large loan has been contracted. religious toleration decreed, the Pope has noknowledged the Provisional Government, and trade in the colonies has been declared free Nothing reliable is known about the choice of a King, but we still incline to the belief that Dom Ferdinand will be selected.

Affairs in France look very rickety. The Government bave ma e a raid on the press for publishing subscription lists toy a monument. which it was sought to erect in memory of a deputy who was killed at a barricade during the cound ctat. Eminent juriels have publicly declared that the publication is perfectly legal. and it is proclaimed openly that the deputy at the time he met his death was definding the law, and that the President of the Republic namely, Napoleon himself) was breaking it. At present the Government have stayed their Bombay 7th, were delivered in London to-day, hand, leaving about fifty papers unpunished,

lication occur. As for the question of peace or war, nothing has trouspired since last week, except Lord Stanley's speech. Nothing will be done until the Spanish succession is settled; and then Na. poleon will attack. Prussia if he deems his change of winning pretty certain, or if the elections next May shall go ngainst him Baron Boust has virtually carried his Army In the United States a deal of anarchy prevails in the South! General Grant has to face reconstruction and the consolidation of the debt.

and we think he will succeed. Our obituary notice embrace the Marquis of Hastings, Rosaini, and Baron Rollischild. Ex-Governor Eyre is being prosecuted for damages by one of the victims of his alleged illeral acts. The case, namely, that of Phillips. Justices Luch and Haves on November 17th The case was argued at much length; and the court took time to consider their indement The right of women to vote has been refused by a full heach of judges, and declared illegal; Dr. Tait, the Bishop of London, has been elected to the Primacy.

There has been such a heavy fall of anow upon

the Alps that for two days the truffe upon the Fell Railway over Mont Cenis, both for goods and presengers, has been suspended. The Habe Grant's line of telegraph via Kiachta will be discontinued for the winter next week, after which no messages can be sent: . The Prince Royal of Bolgium is reported to 3

possibility. The poor wouth sleeps more and more soundly, his appetite is still good, the cough abated, and no puncture has been found necessary for above a week. The water has disappeared to anon an extent as to reduce the limbs nearly to their natural size. He is don-The Barlingame mission remains pordu. Mr. Compbell, secretary to the Inspector-
